

# FLY With ME

Lyrics written by: Edwin Fokkema (**FOKK\_it**)

So high  
Fly so high  
So high

Look up to the sky  
And see the sun  
Birds are flying by  
That's so much fun

Love to fly with them  
Want to feel so free  
Don't know how or when  
I'll just wait and see

I wanna fly so high  
Towards the sky  
I just wanna try  
Not knowing why  
I have this urge to fly  
So high  
Fly  
Fly high

Fly, Fly high

Take my hand  
Fly with me  
Let's be wild and free  
Escape this harsh reality  
Just wait and see  
And fly with me  
To a new destiny

Looking up to the sky  
Seeing all the Birds Fly, I  
Also want to try  
To get so high  
But looking up I think why  
Why this bird in the sky  
Dropped shit in my eye  
But I don't care  
And I don't cry  
I'm just glad  
That cows don't fly  
Just let me fly  
So high

Fly, Fly, Fly, Fly

Look up to the sky  
And see the sun  
Birds are flying by  
That's so much fun

Love to fly with them  
Want to feel so free  
Don't know how or when  
I'll just wait and see

I wanna fly so high  
Towards the sky  
I just wanna try  
Not knowing why  
I have this urge to fly  
So high  
Fly high

Fly high

Take my hand  
Fly with me  
Let's be wild and free  
Escape this harsh reality  
Just wait and see  
And fly with me  
To a new destiny

Destiny  
Oh  
Destiny

Take my hand  
Fly with me  
Let's be wild and free  
Escape this harsh reality  
Just wait and see  
And fly with me  
To a new destiny

Our destiny  
Destiny
