

i'M iNNOCENT

Lyrics written by: Edwin Fokkema (**FOKK_it**)

I live my life my way
No one can decide how, what or where
I'm staying
I'm living my life now
Do you hear what I'm saying
I'm innocent
Innocent
So stop your praying

My life not in my control
People deciding for me
It almost took my life, my toll
That's not for me you see

Yes I let them, I know
My own fault to blame
Keeping me small, not grow
Just feeling ashamed

Oeh

The shame

Ah

Me to blame

I live my life my way
No one can decide how, what or where
I'm staying
I'm living my life now
Do you hear what I'm saying
I'm innocent
Innocent
So stop your praying

A ticking time bomb
Walking, on the loose
Feelings complete numb
No help to choose

The cracks, start breaking
A chips trail tracing me
But now finally awaking
Mirroring my life to see

Ah

It's just me

Oeh

Awoke you see

I live my life my way
No one can decide how, what or where
I'm staying
I'm living my life now
Do you hear what I'm saying
I'm innocent
Innocent
So stop your praying

You can stay in my life
But don't try to control me
Let me just thrive
Let me be me, and free

Ah

Just let me
Be me
You see

I live my life my way
No one can decide how, what or where
I'm staying
I'm living my life now
Do you hear what I'm saying
I'm innocent!
Innocent
So Stop praying

Stop your praying
Do you hear what I'm saying!
