

i'M RiGht HERE

Lyrics written by: Edwin Fokkema (**FOKK_it**)

I'm right here
Humannamnamme
I'm right here
Humannamnamme
I'm here
Ah

I'm the voice
Can you hear
I'm the voice
I'll make hate disappear
Be proud, have no fear
Listen to my voice
I will be right here

I'm right here
Humannamnamme
I'm right here
Humannamnamme
I'm here

I'm the voice of reason
The voice of love
That's what I believe in
There's not enough of
My voice won't be shut
It will be loud and clear
So come on to the front
Together we make hate disappear

I'm the voice
Can you hear
I'm the voice
I'll make hate Disappear
Be proud, have no fear
Listen to my voice
I always be here

I'm right here
Humannamnamme
I'm right here
I'm Right here
Humannamnamme

Humannamnamme
Here
Here

I'm the voice of reason
The voice of love
That's what I believe in
There's not enough of
My voice won't be shut
It will be loud and clear
So come on to the front
Together we make hate disappear

I'm the voice
Can you hear
I'm the voice
I'll make hate disappear
Follow my voice
Be proud, have no fear
Listen to my voice
I'm right here

I'm right here
I'm right here
Humannamnamme
Right here
I'm right here
Humannamnamme
I'm right here
I'm right here
Humannamnamme
I'm right here
I'm here

Just follow me
I'll keep you safe and set you free
