

SEE tHE LiGHt

Lyrics written by: Edwin Fokkema (FOKK_it)

My road has come to an end
A lifetime good, hard, but well spend

To everyone I love, this is my last
goodbye
Knowing my secrets, you had my back
While I lower the heavy lids of my eyes

And oh, oh I see the light
So bright at the end of this darkness
No heavy sounds but only silence
The weight lifted floating so high
So glad I had you all in my life
But I have to say goodbye
Forever in my heart and mind
Oh, I see the light

This road has come to an end
My life so good, hard and well spend
To everyone I love, I just want to ask why
Why did you always had my back
Me telling the truth never a lie

And oh, oh I see the light
You all have to show and promise
To fill each other lives with kindness
Always be truthful never to tell a lie
I promise I will be alright
I'll miss you all, it hurts to see you all cry
But I have to go can't escape the light so
bright
Oh, I see the light

This road has come to an end
A lifetime good, hard, but well spend
To everyone I love, my final goodbye
I love and will miss you all, that's a fact
The heavy lids black out my sight

Not knowing why
Why my road has to end
Time has come to say goodbye
Love of my life and my best friend
Just dry your teary eyes
I've reached the light
Goodbye
So bright
Bye
